Cell 799-5142

Please come out and help KBB give Bermuda a Spring Clean!

- Find a location that needs a clean-up
- Gather together a team of colleagues, neighbours, family or friends
- Decide on a time in the morning or afternoon and if necessary schedule for Sunday 16 May
- Call KBB on 295-5142 to register your location or ask KBB to assign your group a location
- Once you complete your clean-up, call KBB to report the number of blue (recyclable) and black (trash) bags collected and the bulky waste items so that we can come and collect them
- Give back to your community by helping us to Keep Bermuda Beautiful
- Remember that students can receive credit for Community Service
